

FRONT END DEVELOPER

Sumit Chakraborty

PROFESSIONAL SUMMARY

Passionately dedicated to the realm of webpage development and design, I bring a robust skill set encompassing HTML, CSS, JavaScript, and ReactJS. Demonstrating my proficiency, I have successfully conceived and executed several projects that highlight my innovative and detail-oriented approach to web development. These experiences have equipped me with a deep understanding of front-end technologies and the ability to translate design concepts into functional and visually appealing web solutions. I thrive on staying abreast of the latest industry trends, ensuring that my work is not only current but also at the forefront of innovation. Eager to contribute my skills and creativity to collaborative projects, I am confident in my ability to make meaningful contributions to dynamic teams in the ever-evolving landscape of web development.
